

THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

ACTION REQUEST

SUBJECT: 2012-2013 Fee Assessments for Central Student Government (CSG),
Student Legal Services (SLS), and School/College Governments

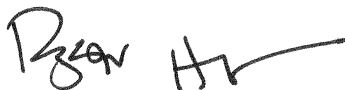

ACTION REQUESTED: Approval of the following fee assessments:
\$7.19 per student per term for CSG (*no change from 2011-12*);
\$8.50 per student per term for SLS (*no change from 2011-12*); and
\$1.50 per student per term for School/College governments (*no change
from 2011-12*).

Background: At the June 2011 Regents' Meeting, the Regents reauthorized a fee of \$7.19 per student per term for CSG and \$1.50 per student per term for School/College governments. At the June 2011 Regents' Meeting, the Regents authorized a fee of \$8.50 per student per term for Student Legal Services.

CSG, SLS and School/College Government Fees: This year, Central Student Government believes that the current fee structure will provide adequate funding for the coming fiscal year (see attached memorandum). The Division of Student Affairs believes that Student Legal Services will have sufficient resources for 2012-2013 under the current fee structure. We believe the school and college government organizations are adequately funded. Therefore, no increase is being requested for CSG, SLS, or the School/College Governments.

Recommendations: I recommend approval of the following fees for 2012-2013: \$7.19 per student per term for Central Student Government, \$8.50 per student per term for Student Legal Services, and \$1.50 per student per term for School/College governments.

Respectfully submitted,

E. Royster Harper
Vice President for Student Affairs

FROM: Central Student Government
RE: Student Fee Request for 2012-2013
DATE: June 4, 2012

This academic year, the Central Student Government student fee played an integral role in enabling our organization to attain its goal of improving the student experience here at the University of Michigan. The hard work of our representatives, committees and commissions has had a positive impact upon students all across campus through events like the Night Game Dry-Tailgate and the CSG St. Patrick's Day Celebration, both events focusing on student health and safety regarding sensible alcohol and drug education; increased funding of University of Michigan student organizations through an improved student organization funding process so that students are able to positively impact the University community; and partnering with the University on sustainability initiatives by adding multiple water stations throughout campus.

We at CSG greatly appreciate the continuous support provided to us thus far, and we will strive to continue serving the needs of students during the coming year.

Therefore, on behalf of the Central Student Government, I request that the Board of Regents re-authorize the current CSG student fee of \$7.19 for the upcoming fiscal year so that we can continue to work effectively for the students of the University of Michigan.

Respectfully,

Manish Parikh
President, Central Student Government
