REGENTS COMMUNICATION

Approved by the Regents

**ACTION ITEM**

**SUBJECT:** Proposed Dearborn Campus FY 2007-08 Student Tuition  
and Fee Rates

**ACTION REQUESTED:** Approval of Attached Fee Schedule

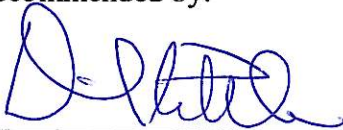

**BACKGROUND:**

Based upon the proposed general fund budget as described in the companion Action Item, the attached schedule of full-term tuition and required fees is recommended for approval.

For the School of Management (SOM) and the College of Engineering and Computer Sciences (CECS), we are increasing our differential fee rates. For SOM we are requesting a \$10 per hour undergraduate and graduate program fee increases to address AACSB accreditation needs. In addition, we are proposing an increase in on-line program rates of an additional \$15 per hour to address increasing program costs of instruction. For CECS, we are increasing graduate differential rates by \$10 per hour to expand on-line degree programs.

It is requested that the Regents approve the attached schedules of tuition and fees as recommended.
